Dear Residents,

We hope you are enjoying the start of the pool season. To help ensure a safe, clean, and enjoyable environment for all residents and guests, the Board would like to share several important reminders and updated community pool rules.

In accordance with St. Charles County Health codes for pools, you will notice some new signs, a bulletin board displaying our licenses, and a new Emergency phone. Some of our pool rules also required updating to bring us within code. All these items addressed were due to requirements within St. Charles County Title II: Public Health, Safety & Welfare Chapter 233: Aquatic And Recreational Facilities Code to prevent possible closure.

The pool opens Monday, May 25th, 2026.
